## FOR CONSCRIPTION LAW

Notice Served on Bachelors That They Must Begin Service on March 2.

LONDON, Feb. 9.-Governmental machinery for the enforcement of the Conscription Act was set in motion partner with the Interborough and to-day. The King's preclamation, the City of New York in the big bond calling upon all eligible bachelors beissues. We shall subpoens all the tween the ages of twenty and thirty books and records of the B. R. T. years to report for service beginning March 3 was placed in the mails and those who failed to enlist voluntarily will receive copies to-morrow. In London alone 40,000 copies of the proclamation were distributed.

Large posters with final recruiting of the appeals appeared in Trafalgar Square and other prominent

and other prominent places in the city. They read:
"Will you march, too, or wait until March 2?"
The day was marked by a lessening of activity among the recruiting sergeants.

#### SAYS GERMANS WANT PEACE

Norwegian Writer Asserts They Know They Can't Heat England. COPENHAGEN (via London), Feb. 9

The realization that Germany's enemies, especially Great Britain, cannot be crushed has caused in Germany

be crushed has caused in Germany a nationwide yearning for an early peace, according to Dr. Halvdan Koht, the noted Norwegian historian, who is contributing a series of articles to the Social Demokraten of Christiania.

Dr. Koht, who sympathizes with the Germans, asserts that the desire for peace is not based on Germany's safety, because everybody is convinced that Germany is safe, but merely on the general awakening to the fact that England is invincible.
